

To whom it may concern

I have recently had part of my kitchen refitted by the above company.

The service that I received from start to finish has been excellent. I have been contacted at every necessary opportunity and have always received an extremely professional service.

Mr Essex has been polite and reliable and kept me regularly informed of any occurrences.

The 2 men who actually came to carry out the work, were again, extremely friendly, helpful and polite throughout and the work was completed to a very high standard.

I would recommend L Essex Building Contractors in the future.

Yours sincerely

LORNA SMITH
